

AVISTA Presentation Permission Note

Dear Parents/Carers,

AROSE's Virtual and In-person STEM Training and Awareness (AVISTA) Program is a free, curriculum linked initiative providing students in years 7 – 12 with direct insights into STEM and defence industry careers. It explores how defence industries use aviation, robotics, AI and autonomous systems, and how an interest in these fields can translate to a career in the advanced and high-tech jobs of tomorrow.

AVISTA has partnered with Fizzics Education to bring this free presentation to (insert school name) on (insert date and time).

Please complete the following permission form and return to (insert location or teacher) for your child to attend by (insert due date):

AVISTA Incursion Permission Note

I give permission for my child _____ to attend a free STEM presentation delivered by AVISTA in partnership with Fizzics Education on (insert date and time).
